**CRG RESIDENTIAL COMING OUT OF THE GROUND AT EDGEWOOD
VILLAGE IN AKRON, OHIO**

Indianapolis, IN (Monday, May 2, 2011) – With site work and ground stabilization complete, and site utilities nearly complete, CRG Residential has begun to come out of the ground at Edgewood Village in Akron, OH. Footings, masonry stem walls, geothermal well drilling and under slab plumbing is also finished and framing has begun. The Village project includes construction of a four story multi-family building consisting of 48 one and two bedroom homes as well as a community room area. This is the final phase of a very successful Hope VI project and is scheduled for completion late in 2011. In total, this project has replaced 116 distressed housing units with 221 new affordable housing units in a variety of architectural styles and configurations utilizing traditional neighborhood design principles for which the AMHA has won numerous awards.

CRG Residential is a full-service construction company focusing exclusively on multi-family renovation and new construction in the Midwest and eastern United States. CRG builds for a wide range of private and public owners and institutional clients as well as for affiliated entities such as Hearthview Residential. CRG Residential has offices in Carmel, Indiana, Chicago and Washington D.C.
