## **CRG RESIDENTIAL BEGINS DEMOLITION IN HAMMOND, IN**

**Indianapolis, IN (Wednesday, August 31, 2011)** – CRG Residential began demolition at American Heartland Homes II in early August. The two story buildings between Chestnut and 175<sup>th</sup> Avenue in Hammond, IN were demolished to clear the way for the construction of twenty new duplexes. Construction on the new buildings will begin early this fall along with renovation work on 6 existing buildings. Once complete the project will provide 49 affordable housing units for the city of Hammond, IN. This is the final phase of a \$15 million project providing a total of 94 new or newly renovated homes at American Heartland Homes. The project also marks the beginning of stage four of five of the Revitalization Plan in Hammond, IN.

CRG Residential is a full-service construction company focusing especially on multifamily renovation and new construction from the Midwest through the eastern United States.
