**CRG RESIDENTIAL BREAKS GROUND AT CENTERSTONE OF
INDIANA DUNN SUPPORTIVE HOUSING PROJECT**

Indianapolis, IN (Monday May 2, 2011) – CRG Residential, selected as the General Contractor for the Dunn Supportive Housing project for Centerstone of Indiana, recently began earth work for this new construction project providing 60 new one-bedroom apartments and supportive spaces serving the mentally ill and those dealing with addiction. Construction is expected to be complete in December, 2011. The innovative project will utilize Structural Insulated Panels (SIPs) for the wall and roof structure thereby reducing construction waste and providing enhanced energy efficiency. In addition to the SIPs, the project will also feature a metal roof composed of recycled content, Energy Star appliances, plumbing and light fixtures, and a number of other green and sustainable design features. The units will all be tested to ensure they are Energy Star rated homes.

CRG Residential is a full-service construction company focusing exclusively on multi-family renovation and new construction in the Midwest and eastern United States. CRG builds for a wide range of private and public owners and institutional clients as well as for affiliated entities such as Hearthview Residential. CRG Residential has offices in Carmel, Indiana, Chicago and Washington D.C.
